

Roll That Stone Away

Chorus:

Roll that stone away
Roll that stone away
Lord, God Almighty's gonna roll that stone away
He promised he'd rise up on the third day
Lord God Almighty's gonna roll that stone away

Jesus was a man, free from sin we know
Well, he taught us how to reap the very things we sow
He taught us parables of life we live today
(Hey, on that third day)
He rolled that stone away

They mocked him and scourged him, said his words were lies
But Jesus had compassion and pity in his eyes
Well I can't wait to see what he has to say
(Oh, how he felt)
When he rolled that stone away

Well he's comin' back, hey, that's one thing for sure
He's looking for the blameless, the righteous, and the pure
And I can't wait to see what he has to say
(Oh, how he felt)
When he rolled that stone away
