

## Emmaus

Driskell/Hennis/Hanvelt/Silvey

Who is Jesus Christ?  
The question echoes down Emmaus Road  
Dead or raised to life?  
The same doubts spoken first so long ago  
When a stranger came to two men on their journey  
And it was not long  
before their broken hearts were burning

Chorus:  
Somewhere between where you are and Emmaus  
A stranger wants to come and walk with you  
Somewhere along the way  
your heart will be burning  
Drawn into the holy flame of truth  
Right now He may be a stranger to you  
What will He be when the journey's through?  
Somewhere between where you are and Emmaus  
The Savior wants to walk with you.

Some ask Him to stay  
As night falls on their own Emmaus Road  
Some push Him away  
And never see the mystery unfold  
But those who take to heart the Word  
that has been spoken  
As He breaks the bread of life their eyes will open
