

“Speechless”

written by Steven Curtis Chapman and Geoff Moore

Words fall like drops of rain, my lips are like clouds
I say so many things trying to figure You out
But as mercy opens my eyes, my words are stolen away
With this breathtaking view of Your grace

Chorus:

And I am speechless, I'm astonished and amazed
I am silenced by Your wondrous grace
You have saved me, You have raised me from the grave
And I am speechless in Your presence now
I'm astounded as I consider how
You have shown us a love that leaves us speechless

So what kind of love could this be
That would trade heaven's throne for a cross
And to think You still celebrate over finding just one who was lost
And to know You rejoice over us, the God of this whole universe
It's a story that's too great for words

Oh how great is the love the Father has lavished upon us
That we should be called the sons and the daughters of God

We are speechless, so amazed
(We stand in awe of Your grace, we stand in awe of your mercy)
You have saved us (We stand in awe of Your love)
From the grave (We are speechless)

We are speechless in Your presence now (We stand in awe of your cross)
We're astounded as we consider how (We stand in awe of your power)
You have shown us a love that leaves us speechless (We are speechless)
I am speechless
