

Then They Will Know

-Michael Card & Scott Brasher

1. I will speak, I will wait, I will send prophets among them
That they might hear, that they might see
And understand how much I love them
- ch. Then they will know that I am Father, then they will know I
am **LORD**
They'll walk with me and be my people, I'll walk with them
as their God, As their God
2. I will strike, I will scourge and carry out judgement upon them
But I will heal the wounds I make
And tenderly take them back to me

(chorus)

bridge 1: This is heaven, this is salvation, this is their great hope
and Mine

3. He will come, My own Son;
A Word faithful hearts can't help hearing
And by His death - with His last breath
My boundless forgiveness comes flowing
- ch. Then they will know that I am Savior, I am Redeemer and
Friend
Immanuel, the God Who is with them, the God Who gives all
He can

bridge 2: He is salvation, He is the kingdom
To know Him is paradise

(chorus)
