

Bethel United Methodist Church

"Seeking The Life In Grace As The Way of Life"

Thank you to all who help make this year's Consecration Sunday a success. Throughout the program this year, we had several members speak during services leading up to Consecration Sunday. Many thanks to Julia, Tom, and Leonard for giving such inspiring witnesses of how stewardship has enriched their lives. This year, 15 families filled out Commitment cards for the coming year. These families have committed a total of \$49,250 for the ministry at Bethel, a 14% increase over the past year. God is indeed Good and has richly blessed us here at Bethel.
